

**Left:** Oriented to water views and evening sunsets, this outdoor living space in Chatham on Cape Cod is the perfect gathering spot in any season. Bluestone pavers partner with FX Luminaire landscape lighting. The custom fire table was sourced by Harwich-based Mitchell Landscape Construction. Design: Molly Boudreau, B.2 Architecture & Design. Image: Eric Roth Photography. **Above:** A slot of space leading from this property's entry court to the ocean was developed into a graceful stair, which descends through a mix of shade-loving plants. The stair ends with a stone terrace and fire pit overlooking the surf below. Architecture, Interiors, and Landscape: SV Design (Siemasko + Verbridge). Image: Brian Vanden Brink.
